How do I contact a Little Free Library steward in my area?

About Little Free Library · https://littlefreelibrary.org/docs/how-do-i-contact-steward-in-my-area/

Knock on their door or leave a note in the Little Free Library itself. See if the steward has included their name and contact information on the Little Free Library world map. If you use the Little Free Library mobile app, you can leave a note in the library's virtual guest book! Don't be afraid to introduce yourself! That's part of the whole idea.
