When you register your Little Free Library book-sharing box, you may access exclusive benefits and support from the Little Free Library organization. Some of the most popular benefits might include, and are subject to change:

Joining the Stewards Facebook Group. Join the group to ask questions and get support from thousands of fellow Little Free Library stewards!

Regular communications from Little Free Library. As a steward, you'll be subscribed to our regular e-newsletter with inspiring stories, ideas, and special deals. Even if you're not a steward, you can always join our mailing list to get monthly updates from LFL world!

Getting free and discounted books through our partners. Last year we gave away more than $250,000 worth of books to stewards and the LFL community. Many opportunities were only available to registered stewards with mapped libraries. Stewards also get discounts from our partners, such as ThriftBooks.

Displaying your Little Free Library's location on our heavily searched world map. The world map is available on our website and in our mobile app. It averages more than 230,000 searches each month--get more library visitors with a listing on our map!

Access to our steward portal. Create a steward account, which gives you access to steward resources such as resource downloads, helpful tips for building community, volunteer support, and more!

Support from the Little Free Library nonprofit organization. We have a team dedicated to supporting stewards and helping them be successful! We answer questions by email or phone and provide free how-tos and guides addressing common questions.
