“The Little Free Library is a terrific example of placing books—poetry included—within reach of people in the course of their everyday lives. ‘Free’ is always a good thing, and the project has a nice give-and-take feel to it. Here’s hoping we bump into literature when we turn the next corner—before we have time to resist!”—**BILLY COLLINS**

“Little Free Library has turned into a worldwide book sharing and social movement.”—**HUFFINGTON POST**

“Take a book. Return a book.” In 2009, Todd Bol built the first Little Free Library as a memorial to his mom. Six years later, this simple idea to promote literacy and encourage community has become a movement. Little Free Libraries—freestanding front-yard book exchanges—now number twenty-five thousand in eighty countries. *The Little Free Library Book* tells the history of these charming libraries, gathers quirky and poignant firsthand stories from owners, provides a resource guide for how to best use your Little Free Library, and delights readers with color images of the most creative and inspired LFLs around.

ABOUT THE AUTHOR

Margret Aldrich has published her work with *The Atlantic*, *The Huffington Post*, *Experience Life*, *Brain Child*, and others. From Little Free Libraries to tiny houses, digital detoxing to co-op bookstores, Margret’s writing hunts for happiness, community, and what makes humans thrive, with clarity and humor. A former editor at *Utne Reader* and longtime book editor, Margret is a regular contributor to *Book Riot* and is a producer at BringMeTheNews’s national health platform. She lives in Minneapolis with her husband, two entertaining young boys, and a Little Free Library. Learn more at margretaldrich.com.
