

HAPPY 3RD BIRTHDAY!

Little Free Library

On May 17, 2015, we celebrate our third birthday! In the last few years, look what we've accomplished together:

Over 25,000 registered Little Free Library book exchanges in all 50 states and over 70 countries.

Over 40 million books shared through Little Free Library book exchanges.

A community of book-loving stewards who volunteered over 2.7 million hours last year alone.

Powerful new literacy partners like the ALA, First Book, ILA, and the Library of Congress.

Help us celebrate our birthday by:

Supporting our Kickstarter to put books where they're needed most!
