

## **Readers Assemble! Little Free Library and Disney Publishing Worldwide Bring Marvel's *Avengers: Infinity War*-themed Book-Sharing Boxes to Select Cities**

Hudson, WI (May 10, 2018) – On Saturday, May 12, 2018, Little Free Library and Disney Publishing Worldwide will begin to reveal nine Marvel's *Avengers: Infinity War*-themed Little Free Libraries across the country, including a larger showpiece Library in Los Angeles and the world's first underground Little Free Library in New York City.

Roughly 40,000 books will be generously donated by Disney Publishing and FirstBook.org to stock the various Libraries for two years, as a way to bring communities together and celebrate the power of reading through free access to books.

Featured titles in the libraries will include Marvel's *Avengers: Infinity War* titles such as *The Heroes' Journey (Road to Avengers: Infinity War)*, *The Cosmic Quest Vol. 1*, along with many other epic stories.

The Little Free Libraries will be set up in select areas across the United States and maintained by community stewards. Visitors to the Marvel's *Avengers: Infinity War*-themed Little Free Libraries, or any neighborhood Little Free Library, are invited to take a book or share a book of their own.

"We're delighted to work with Disney Publishing Worldwide to bring Little Free Libraries full of books to cities across the country," says Little Free Library creator and executive director Todd H. Bol. "We believe everyone has the power to be a hero in their community. Even the youngest reader can make a difference."
