TIPS FOR YOUR PRESS RELEASE:

- What makes your story unique? Is it the first Little Free Library in your city? Is it serving a high-needs area with little access to books? Is it at a business or school? Does it have a crazy design?
- Include a color photo (or even a video) in your press release. According to PR Newswire, adding multimedia drives an increase in views up to 552 percent!
- Write an attention-grabbing headline. What makes your new Little Free Library newsworthy?
- Be sure to include a quote or two that are good for social media. Short and punchy is great!
