# Chapter 14: Book Bombing

Show Notes

## Chapter 14 Guests

### Dan Wiswell

Not only are Dan (he/him) and Trina (she/her) Wiswell Little Free Library stewards, they are Little Free Library superfans. Dan and Trina have visited 2,641 Little Free Libraries and “book bombed” them with more than 16,000 books. Dan and Trina have visited libraries in twelve states—Washington, Oregon, California, Nevada, Idaho, Montana, Wyoming, Utah, New York, Tennessee, Hawaii, and Florida—as well as Vancouver Island in Canada. They have also been an inspiration to other Little Free Library stewards and patrons who want to visit libraries and share books. Many people keep books in the trunks of their cars so they always have a book handy to share.

**Dan recommends:** [In Cold Blood](#) by Truman Capote

### Kate Berwanger

Kate Berwanger (she/her) is a literary matchmaker, an unironic Nickelback fan, and a proponent of the Oxford comma. She lives in Louisville with her girlfriend, a couple of brindle dogs, and a little black panther.

**Kate is reading:** [All is Not Forgotten](#) by Wendy Walker
